"We Prescribe the Burhill Physicians Leasing Program"

The Burhill Physicians Leasing Program is exclusively designed for the busy schedules of physicians and their staff members.

Medical Doctors, Dentists & Veterinarians are all included in this professional program that assists the medical community in finding the proper vehicle, structuring the proper lease terms and most importantly, servicing the vehicle during the lease term. 24 Hour Roadside Assistance along with all of the other exclusive Burhill service features make this program ideal for any busy Medical Professional.

Burhill also leases all types of Medical Equipment... some as complex as mobile veterinary clinics or traveling X-ray units. This program has been widely accepted by the medical community, not only locally, but throughout the Midwest.
