

## Mission Statement

At Burhill Leasing Corp, it is our mission to provide a high level of service at a competitive price.

We strive to make fulfilling the transportation needs of consumers and commercial users a pleasant experience by offering any brand of vehicle without bias, supplying a variety of loan and lease options, and providing full service before, during and after the buying / leasing process.

Burhill provides a safe, clean and financially rewarding work environment for all employees. We have established an impeccable reputation and will continue to be a business which our community can be proud of, for years to come.
